Careers

Killeen Studio Architects is seeking talented and dedicated individuals to join our team of professionals. We're located in the historic Benton Park neighborhood just blocks away from the Anheuser-Busch brewery. Our office, a 1880s factory building, is updated and quite frankly, awesome. It has been a 10 year odyssey undertaken by owners Mike and Annie Killeen and the Killeen Studios team resulting in the transformation of what Mike described as a, "sinking battleship of a building" into a beautiful and truly inspirational space.

See our renovation video below:
