Country Clubs

Killeen Studio has completed dozens of hospitality projects during our firm's 17 year history, including country club projects at Algonquin Golf Club, Bogey Golf Club, Bellerive Country Club and Westborough Country Club.

It was a real pleasure working with you, Jessica, David and the rest of the KSA team on the Algonquin project. Your team's creativity, professionalism and high ethical standards were apparent throughout the project, but I also very much appreciated your common sense approach to problem solving. It was a long, somewhat arduous process getting the project approved, but it was well worth it! The membership response has been overwhelmingly positive. Member usage at the club this past season was at record levels due to all the improvements...Great job!!

Mark H. Schnoebelen
