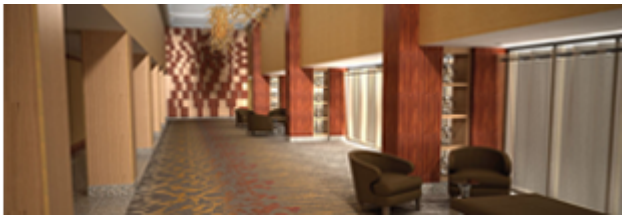
Hospitality



Whether you're bringing a historic inn up to code or adding a wing to a banquet facility, Killeen Studio has the expertise to make your project a success. Our design team can work with you through every step of the process:

- ### Project Planning

  Collaborating with our clients to determine the project scope, with considerations such as space optimization, budgeting and design goals.
- ### Visualization

  Envisioning the final project through early sketches, illustrations, renderings and animations.
- ### Permitting & Code Compliance

  Working through the regulations, historic tax credits [1] and permitting process.
- ### Interiors

  Staging the new space to maximize efficiency and esthetic appeal.
- ### Construction

  Producing quality construction documents and working with contractors to see the job through to completion.

Our goal on every project is to exceed the client's expectations for creative, workable design solutions and value. Contact us [2] today for a *free* consultation.
